A FANTASTIC TREAT FOR YOUR CLASS TOWARDS THE END OF TERM

Let our Kelly Sports staff come to your school and organise a class/syndicate/school sports tournament that everyone will enjoy.

- Kelly Sports staff will come in for a morning or afternoon session (approx 90 mins to 2 hrs).
- A tournament will be run where all children will be split into teams of 6-8 players.
- Suitable for children aged between 5 and 13 years of age.
- Each team will participate in a number of sporting and other fun activities.
- Fully trained coaches are provided to run each activity.
- At the conclusion of the tournament a prize giving is held where a number of awards are presented, including a Player of the Day Trophy.

Teachers only need to make the booking, place children into teams and sit back and relax while our well-organised staff takes over.
No need to organise buses, parent help or extravagant trips!
