Welcome...

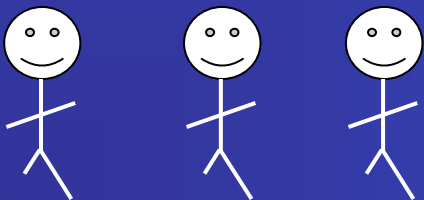

...to Kelly Club Before & After School Care Stonefields School. Kelly Club is very excited to be running our Before and After school programmes at Stonefields School. We believe in giving children opportunities to do the things they love and enjoy in a supportive and encouraging environment. Great resources will be made available to children and they will be given the opportunity to be involved in some structured activities if they choose. These activities are optional and we fully understand the importance of free time, particularly after a long day at school.

Structured sports sessions will be offered each week by our Kelly Sports staff.

Art and craft activities will be made available for children to participate in.

For those children wishing to do homework, an allocated half hour will be put aside to do this, and will be monitored by our staff.

Children will be encouraged, educated and entertained during their time on our programme.
